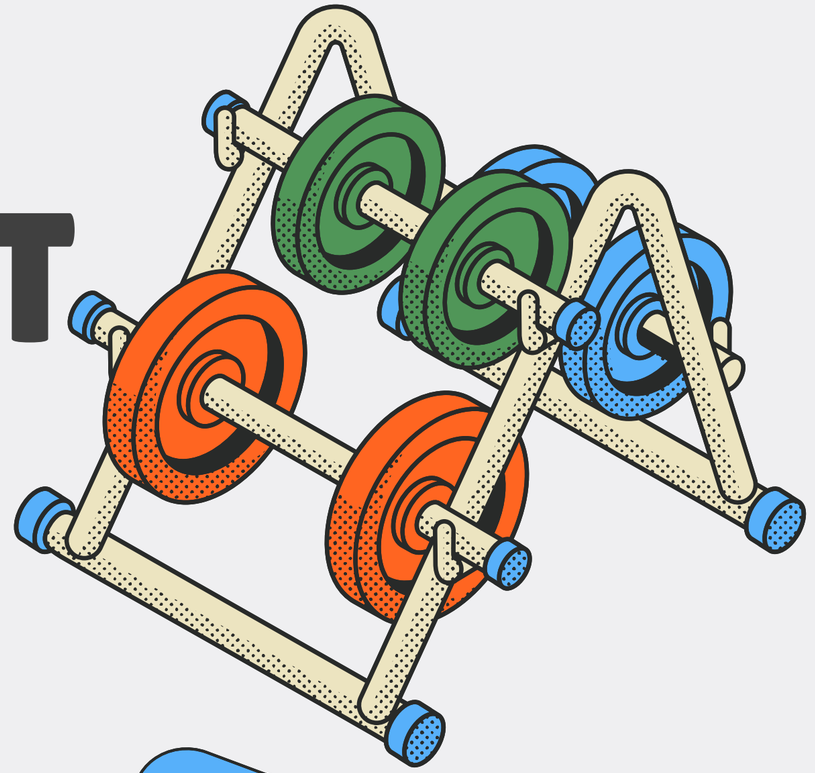
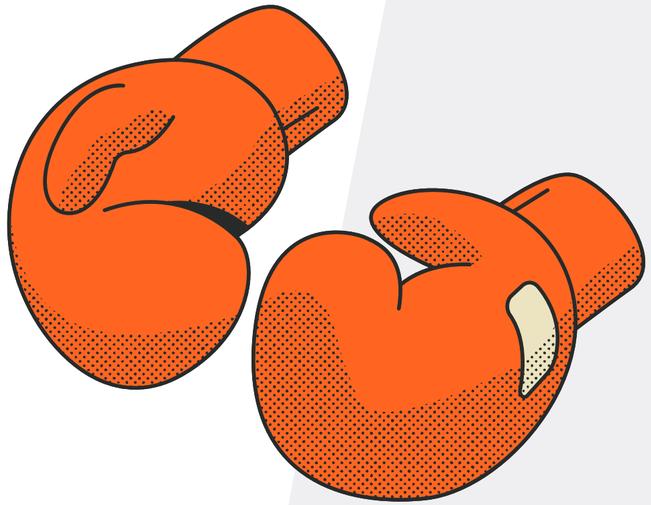
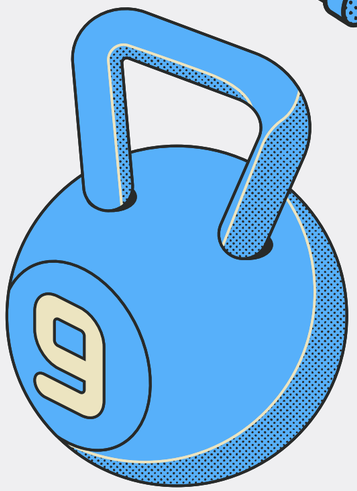
XENICAL® ORLISTAT CAPSULES



Clinically Proven Support for Weight Loss & Long-Term Weight Management

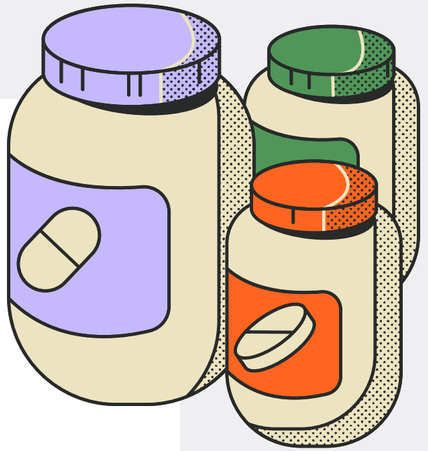
A trusted weight management solution that helps reduce dietary fat absorption, when combined with a healthy lifestyle.





What is Xenical 120mg

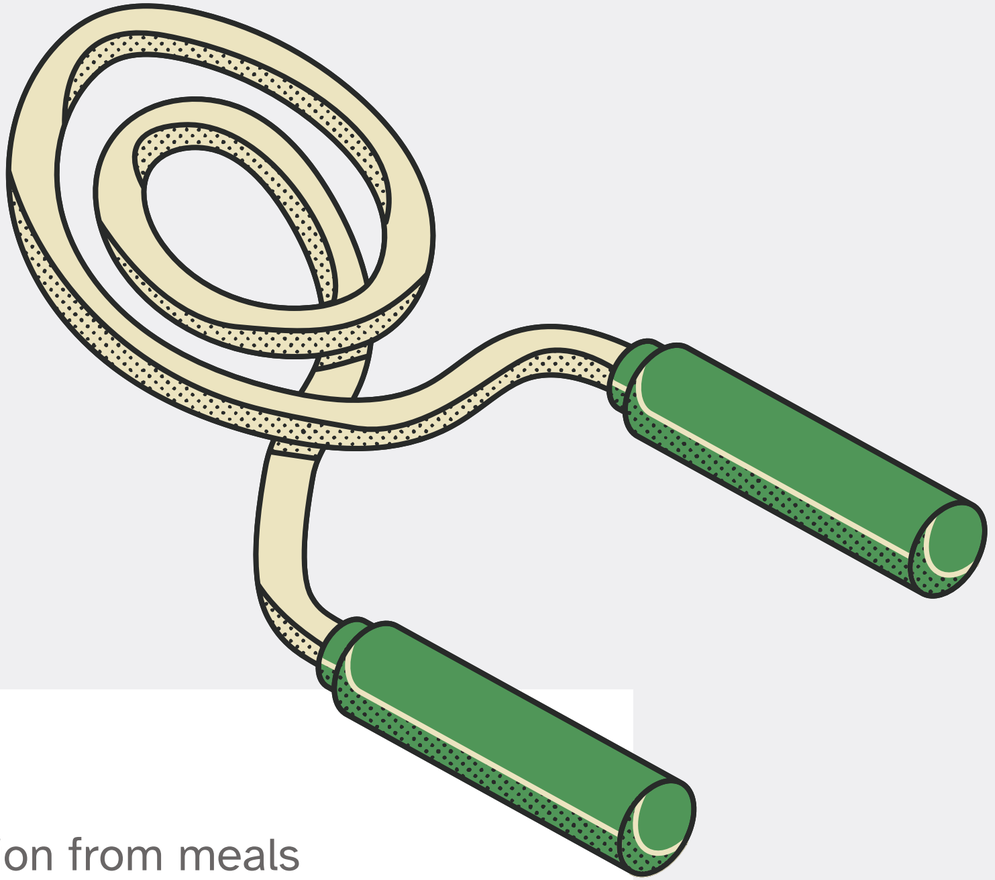
Xenical® 120mg contains Orlistat, a clinically proven medication designed to assist adults in achieving sustainable weight loss.
It works by reducing the amount of dietary fat absorbed from meals, helping lower calorie intake and supporting gradual, healthy weight reduction.



- ✔️ Contains Orlistat 120mg
- ✔️ Helps reduce dietary fat absorption
- ✔️ Supports healthy weight management
- ✔️ Oral capsule for adult use
- ✔️ Best results when paired with diet and exercise

How Xenical Works

Xenical targets digestive enzymes responsible for breaking down dietary fats.
By blocking the absorption of approximately 30% of fat consumed, it helps the body eliminate excess fat naturally rather than storing it.



Benefits

- ✔️ Reduces fat absorption from meals
- ✔️ Encourages gradual weight loss
- ✔️ Helps improve long-term weight control
- ✔️ Complements calorie-controlled nutrition plans
